EASIER FASTER CUTTING

with the new fully guaranteed

TRIG-O-MATIC Compound Leverage PRUNER

Triple Blades Cut Clean

Three hardened and tempered cutting blades. Lower jaw consists of two blades which turn the bark inward for rapid healing.

Fast, Safe and Easy to Use

Compound Leverage makes cutting easier. Saves strain. Speeds work. Springs are shielded—no pinching of fingers.

Long, Narrow "Easy-Fast" Hand Grip

Length 11"—to reach hard-to-get-at thorny branches.

Bright Red Color

If mislaid, can be quickly found.
